PHYSICIAN CANDIDATE LIABILITY QUESTIONNAIRE

Candidate Name: ____________________________ Department: ____________________________

Emory seeks to determine very early in the recruitment process whether candidates have problems that could pose a barrier to state licensure, hospital credentialing, or acceptance by our payers. To aid in this process, we ask candidates to respond to the brief questionnaire below. Following a review of the responses, Emory may seek further information from the candidate. Please note that this screening tool does not replace requirements for a candidate to complete the standard Emory credentialing processes, standard employment application process, and other standard pre-employment processes.
